

LADAKH BIKE TRIP 10N/11D

The Srinagar to Manali Bike Tour via Ladakh takes a rider through three different Himalayan regions; Kashmir Valley, Ladakh and Himachal Pradesh. Each of these regions offers landscapes that are both incomparable and indescribable. We start the expedition from Srinagar (the biggest city in Kashmir Valley) and make our way to Leh (the biggest city in Ladakh) via the Indo-Pak war battlefield of Kargil. The first couple of days of riding offers some of the most stunning views but the landscape changes drastically after reaching Leh. From lush green mountains in Kashmir, it changes to barren brown mountains in Ladakh.

During the 11-day Ladakh bike trip we are going to ride through popular places such as Nubra Valley, Pangong Lake and at the same time explore a remote border village known as Turtuk. The journey is going to be organised in the form of a group with riders coming in from all over Indian and some other parts of the world. A group of trained and experienced people from Adventure Nation is going to lead the travellers throughout this Srinagar to Manali Bike Trip via Ladakh. After exploring all what Ladakh has to offer, we are going to ride on some of the most treacherous passes and make our way to the bustling and booming town of Manali.
